

# **ENGLISH (READING AND PHONICS) INTENT**

---

- We are dedicated to enabling our pupils to become lifelong readers and lovers of literature. At The Friars Primary School, we value reading as a lifelong skill.
- We believe that through reading for pleasure, our pupils will develop academic success and develop fundamental pathways to academic success.
- It is our intent that as pupils leave The Friars Primary School they will have had the opportunity to access a wide range of noted, challenging and varied texts, which will help them further develop their love of reading. We want to develop enthusiastic readers who can understand and challenge an author's use of language and how this makes them feel as a reader.

- a wide range of knowledge and vocabulary for children to draw upon when writing.**
- understanding of how to structure their writing to suit a particular genre.**
- skills to allow them to present work neatly and accurately with a high understanding of spelling rules and grammar.**
- • the capability to re-read, edit and improve their writing so that every piece of writing they produce is to the best of their ability.**

**We expect pupils to be able to write for a variety of purposes and for a range of cross curricular ideas.**
