Search & Confiscate Policy

Happiness – Achievement – Respect - Determination

Written by Michael Earnshaw

Review: September 2022

This policy has been prepared in accordance with:

- DfE Guidance, Searching, screening and confiscation (Advice for head teachers, school staff and governing bodies) January 2018
- DfE Behaviour and Discipline in Schools: January 2016
- DfE Use of reasonable force guidelines

At The Friars Primary School we want to ensure that all children, staff and visitors are safe from harm and threats of harm. There are a broad range of items which, if brought into a school setting, or in the possession of a child or young person could compromise the health and safety of the individual pupil, other students, staff or visitors to the school.

Items prohibited by legislation (DfE guidance January 2018):

- Knives or weapons
- Alcohol
- Illegal drugs
- Stolen items
- Tobacco and cigarette papers
- Fireworks
- Pornographic images
- Any article that the member of staff reasonably suspects has been, or is likely to be , used: To commit an offence, or To cause personal injury to, or damage to the property of, any person (including the pupil)

Head Teachers and authorised staff can also search for any item banned by the school rules, which have been identified in the rules as an item that can be searched for.

For the purposes of this policy – the definition of ‘knife’ includes any bladed article including – craft knife, Stanley knife, Swiss army knife, fishing knife, razors, kitchen knives etc. or any other bladed item.

The term ‘weapon’ refers to any gun, including Air Rifles, BB gun, Toy Gun, Pellet Gun, Cross bow, Taser, Blowpipe, Knuckleduster or any similar item and includes any item made for the purposes of assault or defence.

The policy is not constrained by the criminal definition of an offensive weapon. It refers to any item that could cause harm, injury or distress to the holder or others, or which could be used to threaten, alarm, distress or intimidate others.

Unauthorised items

In addition to the prohibited items identified above and detailed in the DfE Screening, Searching and Confiscation guidelines, there are a number of other items which could cause 'harm, distress or injury to pupils or persons, or adversely affect good order and discipline of the school community' (DfE Behaviour and Discipline in Schools (Jan 2016))

The Friars Primary School considers that the following items are inappropriate and that they must not be brought into school. These items can also be searched for without the consent of the pupil if necessary.

- Chains
- Catapults
- Lighters/matches
- Tools (screwdriver, hammer nails etc.)
- Pepper Sprays and Gas canisters
- Any item fashioned to cause injury i.e a sharpened stick, shard of glass
- Laser pens
- Mobile phones, when in contravention of school rules
- Age inappropriate media in any form
- Dangerous chemicals (acids, hair dyes, bleaches, nail varnish remover etc.)
- Stink Bombs
- Solvents
- Needles (Syringes if required for medical grounds should be kept in accordance with the pupils care plan and the schools drugs/medical policy)
- Offensive material – pornography, racist, homophobic, extremist material (in any medium)
- Rope and cable ties

This is not an exhaustive list and the Head Teacher may consider other items as inappropriate if they believe that the possession of the item is to cause harm, distress or injury to another.

For incidents outside of school, The Friars Primary School considers that the items detailed in this policy, both those prohibited as identified in the DfE guidance 2018 and those identified by the school, are inappropriate. Possession of such items in school, on the journey to and from school, on a school trip or any extra curriculum activity – on or off the school premises – is unacceptable.

The response to any pupil found with or believed to have possession of such items will be managed in accordance with this policy.

Screening

The law allows schools to require pupils to undergo screening by a walk-through or hand held metal detector, arch or wand, even if they do not suspect them of having a weapon and without the consent of the pupils and/or parents.

We do not have this facility at the Friars.

Searching and confiscation

If a member of staff suspects that, a pupil is in possession of a prohibited item or an item identified as inappropriate by the School, the pupil may be searched without their consent. This search should be conducted by the Head Teacher, or a member of staff authorised by the Head Teacher (this would normally be the Deputy Head Teacher or a member of the Senior Leadership Team).

The search should be conducted by a member of staff who is the same gender as the pupil, and with another adult, where possible of the same gender. Before any search is undertaken, consent will be sought from the pupil. If consent is refused, the pupil will be asked to say why he/she has refused.

Refusal to allow a search would be a breach of the school behaviour policy (refusal to follow a staff member's instructions) and would have a sanction imposed.

There is a limited exception to this rule. You can carry out a search of a pupil of the opposite sex to you and / or without a witness present, but only where you reasonably believe that there is a risk that serious harm will be caused to a person if you do not conduct the search immediately and where it is not reasonably practicable to summon another member of staff.

A member of staff can use such force as is reasonable given the circumstances when conducting a search for knives or weapons, alcohol, illegal drugs or stolen items (referred to in the legislation and in this policy as 'prohibited items') Such force cannot be used when searching for additional items banned under the School behaviour policy.

When being searched, pupils cannot be required to remove their socks or tights, shirts, trousers or skirt; they may only be required to remove 'outer clothing' such as coats and jumpers.

Searching the pupil's possessions includes searching a pupil's goods, over which he/she has or appears to have control.

Searches will be conducted in such a manner as to minimise embarrassment or distress.

When items are found, they can be confiscated if it is reasonable to do so and they are not allowed under School rules.

Where any article is thought to be a weapon, illegal drug or stolen property it must be passed to the Police.

It is not necessary to inform parents/carers before a search takes place or to seek their consent to search their child.

All parents will be informed of an official search if one has taken place.

Where objects are found and when the object constitutes a significant breach of the School rules, especially a 'prohibited item' the individual pupil's parents or guardians should be contacted and the item confiscated.

The Head Teacher or their Deputy will follow the School's Safeguarding Policy and Procedures, including referrals to Children's Social Care or other agencies as required.
